

***This year's summer reading program is
all about our Easton community.***

Our prizes this year are donated by local Easton businesses, town departments, the Friends of the Easton Public Library, and community helpers. This year is all about kids reading, learning and experiencing all the beauty Easton has to offer. So join us this summer and see what you could win!

Prizes (in scratch off form) range from experiences, to visits, to coupons, to tangible prizes.

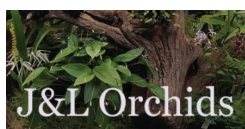

Prizes from our local Easton farms may include: seeing a cow being milked, learning about chickens, or trying some farm fresh popcorn.

Prizes from our local town departments include: tours of Town Hall with our First Selectman, a special visit from a firetruck, or a demonstration from our local K-9 Police Dog.

Prizes from our local eateries include: free ice cream, pastries, or creating a weekly drink special!

Prizes from Inside the Library include: choosing the stamps for a week, taking money off your fines, or choosing a book for the collection.

Our **Friends of the Library** have also generously donated multiple Barnes & Noble and Amazon gift cards for the Teen program and toys for the Children's program.
